Dear Customer,

Our Biggest Launch Yet! Holidays are now available right up until October 2021!

Over the last few months it's been good speaking to many of you over the phone, and like many others at this difficult time, you have had your much anticipated holidays and day excursions cancelled. However, many of you mentioned that you were very keen to re-book for next year. So the exciting news is that in the following pages we are launching a BRAND NEW departure list featuring holidays from this Autumn 2020 - right up until Autumn 2021 (that's almost 300 departures to choose from)! We apologise for not sending our usual full brochure, but we felt that you would appreciate having the opportunity to book your holidays sooner rather than later! And so now you can book your holidays and Express Excursions from **Friday 17th July 2020 from 9am!** We look forward to receiving your calls.

Assurance and Confidence - As all of us are now at last looking ahead to how holidays will operate now that restrictions are being eased - and as well as providing absolute safety, we want to provide you with the confidence and reassurance to book again. We have carried out our COVID-19 risk assessment to create our detailed Safe Operating Procedure, which can be found on our website. We are also delighted to provide the following special new provisions:

PRICES LOCKED!

Even at this difficult time and this far ahead, we guarantee that the prices in this holiday list will not change.

FLEXIBLE BOOKING

Deposits can be transferred to another holiday completely free of charge at any time before the final payment date (This excludes travel insurance premiums as these are non-refundable).

COVID:19 ASSURANCE

If you have to miss your holiday due to having the symptoms or being required to self-isolate, then your holiday will be fully refunded, less an admin charge of just £50 per person (This excludes travel insurance premiums as these are non-refundable.)

JUST 4 FOR DOOR TO DOOR!

Our mini-bus capacity is reduced to just 4 passengers to enhance social distancing. Personalised one address pick-ups can also be arranged for a supplementary charge.

Will I still be collected from home? Our popular door to door home pickup service is still very much part of the Johnsons holiday experience. Until restrictions are completely lifted we'll be setting a maximum of four passengers per journey to provide for social distancing. And rest assured that the vehicles and service will be safe and sanitised. Alternatively, if you would like to drive to our yard and park in our safe, free and secure car park, you can do this and receive a £25 per person discount off your holiday price. Also, to increase your options further, take a look at our Self-Drive Travel Option below.

What about tour itineraries? We know you'd have liked to have seen full details of these before you book - and you can for all our winter programme up to the end of April next year. The text for this brochure has been completed, so please just ask for the pages for the tours you are interested in, or visit our website - go to www.johnsonskoaches.co.uk/our-brochures/

Itineraries for summer 2021 and free deposit transfers! For departures from May 2021, our Tours Manager, Barry Cobb and his team are now preparing the holiday itineraries and they will be available from August onwards, so please just ask. However, as detailed above, we offer full flexibility of booking; so when you book a holiday, if the itinerary, when you see it, is not what you were hoping for then, then you can transfer to another holiday without charge (except for travel insurance premiums, which cannot be refunded). We still plan to send all our customers our detailed brochure as usual, early in October.

Bookings open from 9am on Friday 17th July 2020! **Book by phone or on our website.**

Self-Drive Travel Option... If you prefer you can travel in your own car on our UK holidays. This 'self-drive' option is available on most of our UK mainland holidays, allowing you to travel to our holiday destination at your own pace and receive a discounted rate of £60 per person.

Book before the end of July and save £20 per person on every holiday you book! We want to encourage you to book now, for holidays later this year and for next year too. So as an encouragement, if you book before the end of July this year for a holiday later this year and/or next year, you'll receive a discount of £20 per person for every holiday booked! And you'll see from these pages that many of the holidays that we have unfortunately had to cancel this year are featured again next year. This offer is open to both new bookings and for transfers from cancelled holidays this year.

And what about financial security during these difficult times? Rest assured that your money is safe with us. Our BCH bond is the coach industry's government approved scheme, as required by European Package Travel Regulations and it is broadly the same as schemes like ABTA, IATA, ATOL and ABTOT. It protects your money paid in advance for your holidays. The details of our bond are on the first page of our 'Trading Charter and Booking Conditions' enclosed with your 2020 summer brochure. If you would like another copy then please just call Kyran on 01564 797000 or email him at [Kyran.flynn@johnsonskoaches.co.uk](mailto:flynn@johnsonskoaches.co.uk)

What about holidays for the rest of this summer? At the time of writing this letter, we have every intention of running as much of our holiday programme for this September and October as possible. Obviously this is subject to government guidelines and hotel and attractions policies, which are evolving and changing as time goes by. Please just give us a call. As detailed below, all holidays from now on, while restrictions are in place, will be operated by our 'Club Class' Coaches - and maximum capacities will be reduced from 49 passengers to just 30, to provide the all-important social distancing measures.

You may still have concerns about booking, we have a Safe Operating Procedure in place which is available on request. Here are the main points:

- ✓ Our coaches, mini-buses and 'Comfort Stop' will be safe and sanitised with extensive and thorough cleaning.
- ✓ Social distancing measures will be incorporated into all our holiday travel plans.
- ✓ All holidays will be operated by our 'Club Class' coaches with seating capacities further reduced from 49 to only 30 passengers.
- ✓ Our high backed, front facing seats provide for extra protection.
- ✓ Our coach air-conditioning systems have been upgraded to ensure that clean, filtered air is circulated around the whole coach.
- ✓ Face coverings or masks will be worn by most passengers and all staff.
- ✓ The use of gel's and wipes will be encouraged throughout and all touch points on the coach will be cleaned daily.

What is happening with the 'Luxury Traveller' departures?  When the country went into lockdown, we had to sadly postpone the launch of our new programme. The two new coaches are at our suppliers and we'll take delivery as soon as our holiday re-starts are properly underway. Meanwhile our Luxury Traveller departures will be operated by our extra legroom 49 seat 'Club Class' coaches, and the £5.00 per day refunds will apply.

Will Day Excursions be operated this summer? Yes indeed, in this leaflet you'll see our programme of Express Excursions, starting on Saturday 1st August with with a trip to the classic Midlands favourite - Weston-Super-Mare! Excursions in our main programme will be operated too, subject to the destination being suitable and being open for business. Please note that coach seating requests may need to be changed in order to meet social distancing requirements.

And Finally... Please note that our offices are sadly still not open for visitors so please make all bookings by telephone or on our website at www.johnsonskoaches.co.uk. Kyran and his friendly reservations team are ready and waiting for your calls!

In the meantime, thank you for your continued support and best wishes for your health and happiness at this difficult time. It is 15 weeks... (and counting!) since we were able to operate any holidays or day trips and we miss you! Needless to say, we look forward to seeing you again as soon as we can!

Kind Regards,

John, Barry, Kyran and the Holiday and Excursions Team.

Express Excursions
